

Welcome to the U3A Broadbeach Members Portal

To support its members U3A Broadbeach (U3ABB) maintains a 'portal' to an online database called 'Member Wizard' (MW). Member Wizard is a storage and information system which supports many of U3ABBs functions.

Logging into the Members Portal gives you access and control over useful functions such as reviewing and changing contact detail, enrolling in classes and events, emailing your class Tutors...etc.

If you haven't already logged into and registered to use the 'Members Portal' the following steps will assist you in that process. If you have any difficulties, please email u3abroadbeach@gmail.com and ask for assistance from a member of the Web Team. This email goes to the U3ABB Secretary to forward to the appropriate Web Team Member so please also briefly outline your difficulties.

The first time you log into the Members Portal you will need to **register**, after that you will only need to use your **email address** OR **member number** and password. The use of Member Number is a new feature as of 26th September 2025.

Please note: You can now use either your existing **sign-in email** or your 'Membership Number' to login. **Your 'Member Number' will be displayed in your 'Members Portal' below your name.** If you don't see your member number there after logging into your members portal, please email u3abroadbeach@gmail.com explain your query and ask for assistance from a member of the Web Team.
